## CHRISTMAS & NEW YEAR 2021-202 DEPARTURES

Dear NTG customer,

With about 3 months to Christmas, it's time to plan production and distribution through Christmas.

We have compiled an overview of deadlines, that are important and necessary for NTG to meet your customers' timely Christmas deliveries

If you have orders, part loads and full loads that are outside our days of departure, which require special attention and delivery before Christmas, we will find a solution. Please contact an NTG employee in advance, so we can make the necessary arrangements.

NTG expects that the export routes will be processed according to the normal plan until and including Friday December 17<sup>th</sup>.

Collection at your location will be done as usual week 50, until and including Thursday December 23<sup>rd</sup> - week 51.

The furniture department is ready to provide Christmas assistance - also between Christmas and New Year.

We start loading and distribution in week 1/2.

We look forward providing service for you and your customers all the way until Christmas.

Kind Regards,

Anna, Louise, Stine, Susanne and Ulla
